

The architectural floor plan shows a building with a total width of 4500 mm (3000 mm + 1500 mm) and a total depth of 3000 mm (2000 mm + 1000 mm). The plan includes a central corridor (1000 mm wide) and several rooms. The area calculations are as follows:

- Room 1 (Top Left): 3000 mm x 1000 mm = 3000000 mm²
- Room 2 (Top Right): 1500 mm x 1000 mm = 1500000 mm²
- Room 3 (Bottom Left): 3000 mm x 1000 mm = 3000000 mm²
- Room 4 (Bottom Right): 1500 mm x 1000 mm = 1500000 mm²
- Central Corridor: 1000 mm x 3000 mm = 3000000 mm²
- Room 5 (Top Left of Corridor): 1500 mm x 1000 mm = 1500000 mm²
- Room 6 (Bottom Left of Corridor): 1500 mm x 1000 mm = 1500000 mm²
- Room 7 (Top Right of Corridor): 1500 mm x 1000 mm = 1500000 mm²
- Room 8 (Bottom Right of Corridor): 1500 mm x 1000 mm = 1500000 mm²

The total area of the building is 14500000 mm². The area of the central corridor is 3000000 mm². The area of the four rooms is 11500000 mm². The area of the four rooms is 11500000 mm². The area of the four rooms is 11500000 mm². The area of the four rooms is 11500000 mm².
