

The map shows the region around Ústí nad Labem, with the Elbe river (Labe) flowing through it. The proposed tunnel route is marked in red, starting from the north and heading south towards Ústí nad Labem. The map includes various towns and villages, as well as the proposed tunnel route marked in red.

The map displays the Uzdavirka river and its tributaries, including the Uzdavirka, Uzdavirka, Uzdavirka, and Uzdavirka. The river flows from the north towards the south, passing through several settlements. The map also shows the surrounding landscape, including hills and valleys. Key settlements include Uzdavirka, Bufenice, Radlčiv, Horepřík, and Pacov. The map also shows the border with the Cerevic region to the east.
