Technical drawing of a roof plan. The drawing shows a rectangular area with dimensions: 2.65, 0.61, 3.25, and 3.25. A section line is indicated by a red line with the label 'SO 102'.

[illegible]

The diagram illustrates the layout of a 100m race track. It shows a horizontal line representing the track with vertical tick marks indicating lane boundaries. The lane widths are labeled as 3.25m. The starting positions for SO 102 are marked with red vertical lines. The distance from the start of the track to the first SO 102 start line is 2.50m. The distance between the first and second SO 102 start lines is 3.25m. The distance between the second and third SO 102 start lines is 3.25m. The distance from the third SO 102 start line to the end of the track is 1.59m. The text 'SO 102' is written in red below the track line at the first and third start positions.

[illegible]

Diagram illustrating the layout of a 102m long structure, divided into segments of 2.50, 3.25, 3.25, and 1.62. The segments are labeled SO 102 in red.

Technical drawing of a road cross-section showing a parabolic profile. The drawing includes the following data:

- Dimensions:**
  - Top horizontal segments: 3.50, 3.40, 3.40
  - Bottom horizontal segments: 3.50, 3.40, 3.40
- Elevations (m):**
  - Left boundary: 568.97
  - Point 1: 568.48
  - Point 2: 568.41
  - Point 3: 568.70
  - Point 4: 568.61
  - Point 5: 568.50
  - Point 6: 568.500
  - Point 7: 568.62
  - Point 8: 568.50
  - Point 9: 568.52
  - Point 10: 568.23
  - Point 11: 568.15
  - Point 12: 568.27
  - Right boundary: 568.27
  - Bottom boundary: 568.03
  - Intermediate points: 567.95, 567.25, 567.96, 567.5, 568.05, 567.6, 568.15, 568.44, 567.91, 567.88
- Grades (Slopes):**
